RE: Approval - PSP FOR AREA 6, PHASE I PRECERTIFICATION REAL-TIME SCAN

Dear Mr. Reising:

Ohio EPA has reviewed the Project Specific Plan for Area 6, Phase I Precertification Real-Time Scan, 20600-PSP-0003, Revision A Draft submitted by DOE on November 15, 2002. Ohio EPA is approving this document with the understanding that biased physical samples will be collected during certification in those areas which are inaccessible for all RTIMP equipment.

If there are any questions, please contact me at (937) 285-6466 or Donna Bohannon at (937) 285-6543.

Sincerely,

Thomas A. Schneider
